Theme of Competition: This unique show is a 3-part competition consisting of one written test based on age assigned reading, one ridden dressage test, and one dressage equitation class, each section worth 100 points apiece for a total of 300 points. Overall highest score wins! We want 50 entries this year!

Blue color sections below indicate additional information that should be included on the entry form.

ABOUT TEAM CLINIC: **TEAM** stands for Training, Education and Mentoring. **TEAM** is a Program that you Apply for, get Accepted to, and then Invited to attend our clinic. All information may be found here:

<https://dressage4kidsorg.presencehost.net/programs/team-program.html>

Enthusiastic dressage riders are encouraged to apply. Use a video from a show you've recently ridden in. TEAM is now expanded to Under 25. Clinicians are Lendon Gray, Rachel Chowanec Kaney, & Jos Sevreins.

Who May Compete:

AGE: Any rider 21 and under. The FEI age rule applies, which is the age the rider reaches in the calendar year. For example, if the rider becomes 21 years old in 2019, the rider is eligible, but if the rider becomes 22 years old in 2019, the rider is not. If the rider turns 12 anytime in the year 2019, the rider is considered to be 12 for the show. *No qualifying scores are necessary.*

RIDERS: Regarding dual divisions: a rider may either 1) enter two consecutive Divisions with the same horse, or 2) enter two Divisions on two different horses at the same level or different levels. The qualifying score must be obtained at the

higher level of the two Divisions chosen. A rider, with the exception to those entering the Walk/Trot or AA Introductory C Divisions, can enter a maximum of two Divisions (levels). A Rider in the Walk/Trot or AA Introductory C Division can only enter one Division. A rider who has previously won a Division may not compete again on the same horse in that Division, with the exception of the Walk/Trot Division and the FEI Divisions.

HORSES: Horse may be ridden by one rider in two consecutive Divisions, except where noted, or two riders in the same or different Divisions. A horse may compete in two Divisions only. A horse may also be ridden by another rider in the Leadline Class. The welfare of the horse is of utmost importance. Two competitors riding the same horse must keep this in mind when entering optional classes.

DIVISIONS: *The Divisions are the heart of the Youth Dressage Festival.* Each Division consists of three Sections: Written Test, Equitation Class, and Dressage Test. Each Section is worth 100 points for a total of 300 points. Total points from the three divisions determine placings. Ties are broken by using the Equitation Class score, then Dressage Test score and, if needed, the Written Test score.

Tentative Time Table: Times and other information will be made available before show. These times are tentative and subject to change. *Official times are posted by 7 am on show day.*
