As most high schools will not give a Varsity Letter for Equestrian Sport, GDCTA rolled out a Letterman Program that mirrored a high school travel team to fill this void. Starting in 2014, Scores for Recognized Dressage are one point harder than qualifying for Regionals, as is the equivalent for Recognized Eventing. We reward the rider for their academic excellence while pursuing their riding endeavors throughout the levels. Are YOU qualified?! Program details can be found on the GDCTA Website!
