A lifelong student, she has spent considerable time under the influences of Albrecht Heideman, Betsey Steiner, Jeremy Steinberg and Conrad Schumacher, among others, and continuously seeks enlightenment from new sources for continued improvement. A bronze and silver medalist, primarily competing and training in dressage does not limit Sheri to the ménage. Cross training is an integral part of her philosophy. All under her tutelage, horses and riders alike, are prepared and encouraged to maintain their composure in varying environments to add a juxtapositional view to the primary goals. She is a passionate and dedicated trainer who constantly strives for a cohesive and respectful partnership between horse and rider.

**Rider Name: Laura Duhamel**

**Horse’s Name: Fate’s Astaire**

**Horse’s Breed: Westfalen**

**Horse’s current level of Training: 3<sup>rd</sup> Level +**

I have been riding for over 30 years, mostly as an adult amateur eventer, competing up to the 2 star level all over the southeast and beyond. I began my riding journey at Vogt’s Riding Academy, learning dressage, in my early twenties. Through the years I have spent a good amount of time in the dressage world, along with my eventing career. I gained my scores for my Bronze medal on my beloved partners Fate’s Secret, an OTTB gelding, Fate’s Fine Magic, a Zweibrucker gelding and this past May I got my 3rd level scores on my Connemara/TB cross and retired eventer, Fate’s Patriot. My new horse Fate’s Astaire is hopefully going to be my partner on the journey towards upper-level dressage and maybe my silver and gold medals.

**Riders Name : Diane Smith**

**Horses Name: Ari**

**Breed: Connemara/Holsteiner**

**Horses current level of Training: Training/1st Level**

I have been riding for nearly 40 years and have been a teacher and trainer of lower levels and green horses for nearly 20 years. My education started overseas in Portugal, Germany and Austria through High School learning 'classical dressage' and Grand Prix jumping. In college I was introduced to H/J where I competed successfully for a year for the school in Equation Under Saddle. After a short stint in the H/J world I returned to dressage and competed successfully in the lower levels of Eventing. Over the years due to 'life' and its starts and stops (marriage, children, injuries both human and horse) I have not had the means to compete past 2nd Level Dressage (Just need my 2 scores at 3rd level for Bronze). I still have dreams of competing at the Grand Prix level someday and am so very hungry to learn and achieve steps towards this goal.

Ari just came to me this Spring as a very green, recently started 6 year old. She is incredibly willing, a bit spicy, yet wonderful mare who I believe can begin to help me achieve my goals. I have had to work through some of my own confidence issues with her and we are progressing well. We are working on balance, transitions, coming through her back, understanding leg, etc. We competed successfully at a couple of Eventing Schooling shows at Starter level. This month I took her to a Dressage Schooling show where she did her first Training 1 (68%) and Training 3 (69%). I am wanting direction on how to help her best with where she is at in her training and working on my position, aides ... always a struggle for me to be /quiet/ .

**Rider's Name: Elizabeth Bareis (*Horse Change*)**

**Horse's Name: Tango**

**Horse's Breed: Oldenburg**

**Horse's Current Level of Training: 3<sup>rd</sup>**

Bio: I'm an adult amateur who grew up riding ponies and taking jump lessons from Missy Ranshousen. As a teenager I moved into dressage and began riding with Jessica Ranshousen. During COVID I leased a horse from Emily Donaldson and earned my bronze and silver medals. A year and a half ago I imported Nandra as a four year old. Despite some physical set backs that slowed Nandra's training, she's been consistently back into training since March of this year. We started showing T-3 and 1-1 late in the season. Our goal this fall/winter is to develop and collect her canter and work towards 1-3 and 2-1 for next year's show season.

**Rider's Name: Madison Driscoll**

**Horse's Name: Philomenos (Flip)**

**Horse's Breed: American Warmblood**

**Horse's Current Level of Training: training/1st**

Flip is a six year old American Warmblood bred by March Pond Farm out of Pikko Del Cerro HU. Flip and I have been together for 2 years. Our training has been a very slow road due to some severe behavioral issues that we have had to work through. In 2024, I hopes to finally be able to get Flip in the show ring! I am excited to get Flip out more and introduce him to new experiences.

**Rider's Name: Phyllis Sumner**

**Horse's Name: Soprano 9**

**Breed: Hanoverian**

**Level: I1/I2**

Phyllis Sumner is an adult amateur bronze, silver and gold medal dressage competitor who has competed multiple horses from Training level through Grand Prix successfully. Soprano 9 is a nine-year-old Hanoverian bred in Germany. Phyllis purchased Soprano in early 2022 after he had competed twice at fourth level. Later that year she and Soprano won Regionals and were Reserve Champion at the 2022 USDF National Finals at Prix St. George. This year, Phyllis and Soprano competed successfully at I1 and won the I1 Freestyle at Regionals. They are heading to the 2023 National Finals in November to compete in the I1 and I1 Freestyle championships. Phyllis and Soprano are working hard to be ready for the I2 in 2024.

Hello, my name is Alexis Troutman. I am 14 years old. As long as I can remember I have wanted to ride horses. My parents know how expensive this sport is and they were reluctant. After several years of constant asking, they finally agreed to allow me to go to a horse summer camp. One camp turned into weekly lessons and expanded into Pony Club, which led to leasing, and finally owning my own horse.

In this clinic, I am riding Finaalee. Ms. Chantelle owns this amazing mare. Finaalee is schooling PSG movements but shows up to fourth level. She helped me achieve my USDF bronze medal in the summer of 2022.
